

# Treasure Hunt

Instead of a treasure map with 'X marks the spot', this treasure hunt starts with a piece of paper that has a clue on it that leads to the whereabouts of the next clue.

So the first clue might say 'I'm a little Irishman. What am I sitting on?' – which leads to the leprechaun. The piece of paper under the leprechaun might read 'I'm a mulberry tree. Look in my fork.' In the fork of the tree is the next clue, 'I water plants. Look in my spout.' And so it goes until you get to the treasure. And don't worry if it's cold or wet, you can just move your Treasure Hunt to indoors!
